OFC staffers will guide LGBTQ parents and caregivers through the 12-week Positive Parenting Program. Triple P is designed to promote positive parenting practices in the community, prevent a range of social and behavioral problems in children, and aims to support parents to promote their child's social, emotional, and behavioral development. For parents and caregivers with children 2-10 years old. **Dinner and childcare provided with advance registration at [OurFamily.org](http://OurFamily.org).**

All of our programs are intended for LGBTQ+ parents and caregivers and their children. Programs are free of charge and provided in English, but language interpretation and translated materials are available upon request. Families may sign up online at [ourfamily.org](http://ourfamily.org), or contact Jeannette for more information at [jeannette@ourfamily.org](mailto:jeannette@ourfamily.org) or 415-981-1960 x309.
